

JEFFERSON COLLEGE of HEALTH SCIENCES

CME Event

Anatomy of a Medical Malpractice Case

Presented by Monty Cary, PA-C, M.Ed.

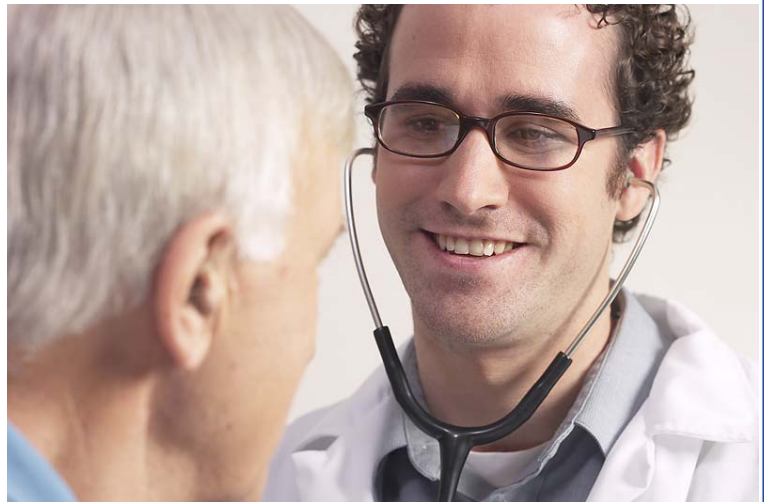

Monday, June 29, 2009, from 6 to 8 p.m.

Schaal's Metamorphosis, 402 S. Jefferson St.
Roanoke, VA

Please join us for this important program designed for PAs across the region by the Western Chapter of VAPA and the Jefferson College of Health Sciences Physician Assistant Program.

"The Anatomy of a Medical Malpractice Case" is a comprehensive discussion covering the medical/legal elements and issues of a medical malpractice case. This presentation will take you from the incident, to the plaintiff's allegation of medical malpractice, through discovery, to the trial and then to the verdict.

Risk management strategies will be discussed in order to reduce your liability of allegations of medical malpractice. You may have done nothing wrong but the allegations of medical malpractice still have to be defended. And remember: "the best defense is a good offense."

This event has been approved for 2 category 1 CME credits by the AAPA.

For more information about this event, contact Kathy Keoughan, Program Secretary, Physician Assistant Program, Jefferson College of Health Sciences, at (540) 985-4016 or via e-mail at kkeoughan@jchs.edu.

Registration is free, but space is limited. Please call to reserve your seat.
